Dear Parishioners,

Greetings in Christ Jesus!

We would like to acknowledge and thank you for your continued commitment and support of All Saints and Ascension during this time of fasting from coming together and worshipping together physically. This time of pandemic continues to place hardship and stress on all of us. Our regular routines have been altered along with other inconveniences and obstacles that disrupt our lives. Adapting to this challenging atmosphere continues to call us to make adjustments and sacrifices in order to safely live our daily lives.

With all the confusion and the unknown our church has continued to operate, adjust and adapt to the challenges of restoring, rejuvenating and re-imagining our congregation and our worship space. In an effort to plan for the future, the team of the Vestry, our Priest in Charge and the Diocese is evaluating and developing strategies to address how we will make modifications to our building, to ensure your safety and to the building up of our spiritual life together. We cannot wait until the all clear sign to worship but we can take advantage of making some modifications to the building now while we pray together via Zoom.

Transparency is the key to our success. Our team is committed to keeping our parish family updated as plans are developed and informed on progress and timetables. As we move forward, it is important that we communicate with you and get your feedback regarding the restoration, rejuvenation, and re-imagining of this parish family.

Please keep our team in your prayers as we plan and address challenges to return us to a healthy, safe, and accessible building that serves you our parishioners, our community, and the Diocese of Missouri.

Respectfully,

The Rev. Renee L. Fenner,
Priest in Charge

Bill Young,
Senior Warden
