**AT**

**The North County Episcopal Communal Garden**

**On the grounds of St. Barnabas' Episcopal Church**

**2900 St. Catherine Street, Florissant**

**ALL ARE WELCOME!**

The North County Episcopal Communal Garden is a collaboration of the three Episcopal Churches in North St. Louis County: All Saints and Ascension, St. Barnabas', and St. Stephen's. The garden was made possible by a grant from Gateway Greening and the hard work of many parishioners from all three parishes. The produce from the garden is being delivered as it is harvested to TEAM and to the food banks at St. Stephen's and All Saints and Ascension.
