

October 15, 2021

Dear Parishioners,

The last 18 months have presented many challenges, and has hampered our ability to join together in worship. We all have been forced to adapt and change the way we have had to operate our daily lives. However, we have tried to turn the many obstacles into opportunities to renew our church spirit and our worship space to prepare for the future.

The church renovation is almost complete with new flooring, altar, furnishings and chairs. We have used Zoom to worship, and even had a couple of outdoor services. All and all we have experienced a successful year.

We have received permission from the Bishop to resume in person worship as long as we observe protocol regarding Covid restrictions. In an effort to accommodate our parish family, the Vestry has taken additional steps to provide worship opportunities for both in person and virtual worship. To those who want to remotely worship, we are installing a camera system that will enable us to live stream the service over the internet. We will be sending instructions on how to take advantage of this option.

The Vestry has agreed to restart in person worship services at the church on November 7, 2021. The time of the service has not been determined yet. So the Vestry thought that we should survey parishioners to ask the most convenient time for the start of services. We are offering the following options:

- 9:00 AM, or
- 9:30 AM, or
- 10:00 AM

Your opinion is important! So we would appreciate if you would **send your preference to the office via email by October 30th** by selecting the following link: allsaintsadminasst@sbcglobal.net.

We are excited that we will be together soon, and we look forward to your response.

Respectfully

Bill

Bill Young
